RE: New Car Rental Provider for the State of Florida

The Justice Administrative Commission (JAC) received an email on September 4, 2015, from Cliff Nilson, Deputy Director, Department of Management Services (DMS) announcing the new rental car provider for the State of Florida is Enterprise Car Rental and National Car Rental under the parent company EAN Services, LLC. JAC staff subsequently attended a briefing provided by DMS on the new contract on September 10, 2015.

The effective date for the new car rental contract is September 30, 2015. JAC will be hosting two GoToMeeting sessions to provide an overview to interested agency staff regarding the transition to Enterprise/National and the process for establishing accounts and renting vehicles. A PowerPoint presentation with step-by-step instructions will be provided to agency staff to assist with the transition.
