MEMORANDUM NO: 011-27HR

TO: Agency Administrators
FROM: Bobbie Chappell
VIA: Rip Colvin, Executive Director
RE: Employee Assistance Program (EAP) Website

On Thursday, April 7, 2011, Horizon Health/Aetna, the State's EAP Provider, eliminated the www.floridaeap.com website URL and replaced it with www.myflorida.com/myeap . This change was made programmatically and should have been seamless to the user.

Some agencies or employees may still be able to link to, bookmark, or refer to the www.floridaeap.com website within their intranets or internal desktops or publications. However, effective immediately, please ask your employees to begin using the www.myflorida.com/myeap website and cease using www.floridaeap.com.

Your assistance in this matter is greatly appreciated.
