Reliance Standard Group Term Life Insurance
OPEN ENROLLMENT
Now through May 31, 2019

Reliance Standard Life Insurance Company is offering another opportunity for you to participate in their Voluntary Life Insurance program.

This insurance is available to all active full-time employees who are working at least 30 hours per week. Important plan features include:

- Family Coverage - Insurance coverage is available to you, your spouse and dependent children. However, during this annual enrollment all election amounts for your spouse will require evidence of insurability.

- Living Benefit - The plan provides a Living Benefit Rider if you or your insured family member(s) should become terminally ill and meet all the requirements. The advance payment is equal to 50% of the insured's coverage, up to $250,000.

- Maximum Coverage - The maximum amount of coverage available to you or your spouse is $500,000. You and your spouse will need to answer medical questions for any election over $10,000 or for any coverage above the Guaranteed Issue amount.
Portability - If you leave the Justice Administrative Commission, you may continue your group coverage or convert to an individual permanent life insurance policy.

Please review the Plan Highlight Sheet and Enrollment Application for additional information on the program. Completed applications may be returned to:

The plan is made available to you as a Justice Administrative Commission sponsored benefit.
