

MEMORANDUM #029-12HR

TO: Agency Administrators

FROM: Jamie Johnson, Benefits Coordinator

VIA: Rip Colvin, Executive Director

RE: May 5, 2012 Department of Management Services Release Summary Addressing myMRA Card Changes

Currently, only Health Insurance co-pays and pharmaceuticals are auto-adjudicated with myMRA Card. Effective with this release, co-pays for Prepaid Dental and Vision Plans will also be auto-adjudicated.

- Changes are effective for all 2012 charges (including charges currently pending documentation).
- Employees with a dental preferred provider organization (PPO) or indemnity plan for dental services must continue providing documentation for all dental charges, as these plans do not have standard co-pays.
- Employees must continue to provide documentation for all amounts that are not equal to the plans' co-pay amounts.

\*These changes **ONLY** apply to state sponsored (pre-tax) Dental and Vision Plans and not to any agency-unique, indemnity, employer-pay-all, other post-tax, or PPO plans.

If you have any questions, please contact Jamie Johnson at (850) 488-2415 extension 292.
