RE: Take-Home-Pay Calculator

Please forward the Take-Home Pay Calculator link below to all employees so they can see how their take-home pay may be impacted by the 3% FRS employee contribution. The employee will need to complete the applicable boxes highlighted in yellow. Their estimated paycheck will be displayed in the bottom table. If you or your employee needs assistance in using the calculator or in determining the estimated take-home pay, an Ernst & Young financial planner can assist you via the MyFRS Financial Guidance Line at 1-866-446-9377, Option 2 (TRS 711).
