

# Justice Administrative Commission Attorney/Vendor Privacy Indicator Questionnaire\*

The Justice Administrative Commission (JAC) maintains attorney and vendor contact information, which may potentially be disclosed in a public records request. Please note, Florida law protects certain personal information for some positions and individuals who fill those positions. Please refer to the specific statutory authority to see if you are entitled to an exemption and which information is protected. There is no statutory exemption from public records for an individual's compensation. Please be aware JAC publishes due process vendor's contact information on JAC's website. JAC does not require personal contact information such as a home address for compensation purposes. You may wish to use a PO Box or a business address instead.

By completing the attached questionnaire, you can determine if any of the exemptions apply to you.
